The Titusville Area Chamber of Commerce is partnering with Brevard Community College Titusville Campus for this one-stop career exploration event. **THIS IS NOT A JOB FAIR!**

We are bussing students from Astronaut, Space Coast and Titusville High Schools for this event. The students will be delivered to the gymnasium to allow them to spend time at our career showcase, and will be required to visit 10 of the 16 career clusters listed to the left.

If you are willing to set up for this event and talk to students about careers in your field - **WE NEED YOU TO PARTICIPATE!** In the column on the left, we have listed all 16 occupational clusters and a few examples of careers within those sectors.

THERE IS NO COST TO PARTICIPATE, and we encourage you to bring collateral about your business. We will make sure each business has a table for display space. Sponsorship for this event is available, so make sure to contact us about this great opportunity!

Please fill out the form below and return to the Chamber **TODAY!**
