

Coming Soon to The Brevard Museum  
of History & Natural Science in Cocoa, Florida  
**The Johnson / Cordy Hall of Mollusks !**

The extensive collection of Johnnie Johnson, former curator and naturalist for the museum will be refreshed. Mr. Johnson collected shells from around the world with a focus on Brevard County. *Added to the museums former Natural Science Hall will be the all new “Hall of Mollusks” with a variety of Species from the collection of James & Bobbi Cordy. The Cordy’s have been avid shell collectors for 45 years with most of their shells being self collected. Some have been traded with other sheller's from around the world.*

**All new easy to identify explanations of the shells will be included as well as frequent “Shell Talks” and Programs.**  
Check the museums website for for dates and times!
