The "7th Generation" is the next and the most important generation; our children & grand children!

Our non-profit focuses on the youth in "our" community.

We sponsor programs that provide simple life skills to guide the youth to future opportunities.

How It Works:

Each \$5.00 Family donation can be paid when you pick up your Monster Map at 7th Generation, located @ 410 Indian River Avenue. Proceed to follow your map to each participating location.

Each Sponsor has created a Monster!! You have to find it... then score it! 10 is fantastic & 1 is Terrible! Your VOTE will decide which Sponsor will be the winner of the "Golden Skull"!

Turn in your map at the final stop, the Haunted House! Don't forget to pick-up your personalized photos!!
