BELL CHOIR

NBSC is planning to start our own "Bell Choir" in January. The bell choir will be limited to 12 ringers per group. You do not need to know how to read music in order to become a ringer. If this is something you would be interested in doing, call Ferrel at 267-0195 and reserve your spot and give it a try. It will be a lot of fun and so rewarding.

THANK YOU

The Decorating Team has been very creative decorating for the dances and other center activities. A big "Thank You" to: Gladys Broome, Teresa Hayes, Thelma Hayes, Rita Long, Ferrel Mazzatto, Mary Moore, Joyce Peterson, Fred Phillips, Gale Repich and Diane Ruth.

Last but not least, a big "Thank You" also to Artie Leavitt of *Atomic Carpet Cleaning* for the complimentary cleaning of the carpeting in the lobby and down the hall to Rooms A & B four times a year. A lot of foot traffic passes through there, and Artie does a great job!

LET'S JUST SOCIALIZE

Would you like to get together and socialize with a group of people that like to crochet, knit or weave and just have fellowship together. If you would be interested in getting together give Dorothy Fuchs a call at 267-9615. If there is enough interest, a day and time will be scheduled.

President's Message

Greetings,

We are in the middle of some of the best weather of the year. The days are warm and the nights are just grand for walking, bike riding or just sitting under the stars. Many of our friends from up north are already back and participating in the many activities available at our Senior Center. All of the dance classes are in full swing and with the monthly Ballroom and Line Dancing, things have really picked up. The Seniors at Lunch Program is going well with fine well balanced meals along with the added programs they present. On October 11th we were given the opportunity to have FLU shots administered after lunch. This was arranged by Rachel, our Seniors at Lunch representative. Those of you who are not taking advantage of this program are missing out on a great deal.

As I mentioned in our last newsletter, I have found an individual who is willing to donate a double-wide office modular unit to the Senior Center. Frank Nutt and I are working on obtaining the necessary permits and contracts to allow us to accept the gift and put it to good use. With the county Parks & Recreation's help, we were able to finally have the large 15 Ton air conditioning unit replaced for the Gold Room. This new unit will consume much less energy than the old unit and should result in a savings in our monthly electric bill.

With the fall season here we can expect to provide many new and exciting activities at the center for your enjoyment, When you see Ferrell Mazzatto or Rita Long, take a minute and ask about what they have in store for you.

Take care, and be safe,
Your president
Joseph (Joe) Mangino
