## *President's Message*

It won't be long before our friends from up north will be returning to the area. The center's Board of Directors is working hard to assure they will be able to enjoy several new activities when they return.

In order to expand our services, the Board of Directors has added three new board members who will assist in the expansion of those activities. The new board members are: Thelma Hayes, Fred Phillips and Faye Walley. They bring a variety of capabilities which are welcome by the present board. You'll get to meet them as you attend the activities presented.

We now have another new air conditioning unit installed in the building, this makes it five (5) new units which the county Parks and Recreation has seen fit to keep our building as comfortable as possible for our activities. They are in the process of installing another unit for the “B” room which we hope will help all those dancers from melting away while they are doing their routines. I'm sorry it has taken so long to have the unit replaced, but hang in their, it is coming.

The center is doing well and holding its own, even in these crazy times. Bingo, Rentals, Bridge and the other activities have been keeping up with the expenses normally incurred in the operation of this great building. If there is anything we as a Board of Directors can do to improve the way we conduct business or add to our activities, please let us know.

Take care, be safe

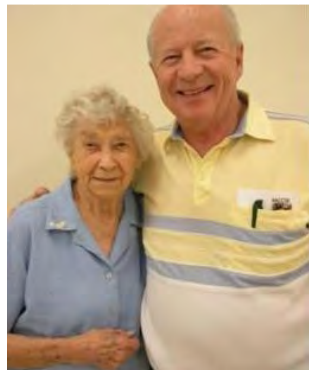

Your President  
Joseph Mangino

*You too can become an NBSC Booster with your contribution of \$10. Your name will be listed in our newsletter monthly for the current year.*

**FOOD DONATIONS:** If you would like to make a donation of food items for the needy, you may drop off your items either in the Operations Manager's Office, or if you are one of our Bingo players, food will also be collected there. Nobody needs to tell you that more and more people are in need during these bad economic times...especially here in Titusville.

**USED EYEGLASSES:** The center is also collecting eyewear to be donated to the Lyons Club. If you have any old glasses, the Lyons Club can help those who cannot afford to buy a pair of glasses.

*We need to take the time to count our blessings, and remember those that are not as blessed as we are.*

**RE-GIFT TABLE:** Our re-gift table in the lobby is looking like "Mother Hubbard's Cupboard" it's down to bare bones. If you have some items that are collecting dust, this is a good way to put them to use. The money earned goes into our general fund to help in defraying the cost of maintaining the operation of the center.

If you make a donation, please be sure to notify the Operations Manager. We have had items donated without being told, and we don't know if someone has forgotten them or donated them. Please let us know. If you would like a receipt for any donation, we will be happy to provide you with one.

**LOOKING FOR VOLUNTEERS:** Many of you are unaware that this center is run solely by volunteers. What monies we earn pays for our utilities and repairs and other expenses that arise to maintain our daily operations. If you would like to volunteer either at the front desk as a greeter, or if you have mechanical, computer or carpentry skills, we can always use your expertise. This is an easy way for you to keep busy, meet people, and do what you like to do. If you are interested, leave your name and a number where you can be reached with one of our Operations Managers at 268-2333, or just stop by and introduce yourself. They'll be happy to speak with you.
