## YOUR FAVORITE RECIPE

January is National Soup Month. Share your favorite soup recipe with the NBSC members. Drop off your favorite soup recipe at the front desk during the month of December. In January, we will publish all recipes received on our website and a recipe will be selected for the newsletter.

Each month, another category will be selected and again we will ask for your recipes and those recipes will be published on the website. If we receive an ample amount of recipes throughout the year, we would be able compile a recipe book as a possible fund raising project for the center at the end of the year.

Please be sure to INCLUDE YOUR NAME to receive credit for your recipe. This will be a FUN and EASY way to also publicize our center.

# *IMPORTANT NOTICE TO ALL MEMBERS!*

This issue of the North Brevard Senior Center will be the last issue mailed to you. Beginning in January, there will be a new format, and copies will be made available at the reception desk in the lobby. For those of you with computers, the newsletter, as always, is available IN COLOR at our website. What's different is you will have the ability to see the newsletter at the same time I send it to the printer to be published which will occur in the middle of each month.

The cost of mailing has really skyrocketed, and as you know, postage is going up again next year. This savings will offset all the things we are looking to provide to our members like a Wii system. There are also many new items slated for the new year, and all this costs money. We are doing our best to provide some new and exciting things beginning in the new year. I believe you will enjoy the new newsletter format, and I plan to include some new and interesting topics. The website has always made available our newsletter, but I'm really excited with what we will be presenting to you in January. Please check out the website and keep the website address handy or better yet, put it in your FAVORITES." The website address is: *NorthBrevardSeniorCenter.tripod.com*.

Your Editor, Rita Long

## *President's Message*

The holidays are just around the corner. Most of our friends from up north are here to enjoy our lovely weather and do some thawing out. And as usual, it is that time of year when all of the swindlers find their way into our community, including those that try to have you believe you've won big prizes from activities you've never heard of. The most persistent ones are those who call you to tell you that you have won millions of dollars and that all you need do is give them your bank account number and password so that they can deposit the money. **NEVER GIVE YOUR BANKING INFORMATION TO ANYONE ON THE PHONE! DON'T FALL FOR THAT SCAM!** Also beware of those that promise to do repairs on your home and ask for a down payment, and then disappear with your money never to be seen again. Don't be one of those that gets taken. Check on anyone trying to give you such a deal.

With a little bit of luck, work on the storm water lakes will begin within the next month. George Van Staden has been working like a champ to assure this gets priority from the county and city. Keep your fingers crossed that he finally has the project on the dirt moving phase. Also, Frank Nutt has been hard at work trying to locate additional space for the expansion of the center. He will be working with the Center Utilization Committee after their report to the Board of Directors with recommendations as to how to meet the new requirements of the center.

For those of you that use the center at night, you'll notice that all the lights around the building are now working. Thank Mr. John Dacus and Mr. Terry Lane of the county Parks and Recreation Department for giving the NBSC outstanding support; that also goes for the county Board of Supervisors, especially Board Chairman Mr. Robin Fischer. Without their assistance we would be in a financial bind.

Take care and be safe.

Your president,  
Joseph Mangino
