NVHS Current Programs

Search and Rescue

We go into the forests and parks to locate homeless veterans, provide them with items such as tents, food, and outdoor gear while informing them where food banks and similar programs are located to help lessen the burden of homeless life. We then arrange meetings with organizations in the community such as housing facilities, VA Claims Service Officers, and employment agencies to help them get off the streets for good.

Stand Down

One day event conducted annually in Titusville where 200 veterans on average are provided medical/dental care, outdoor gear, warm meals, showers, haircuts, legal advice and access to dozens of housing and employment/benefit agencies.

Seasonal Support

Homeless Veteran morale improvement program of seasonal related events and support such as hotels, meals, and gifts for homeless veterans and their families on Christmas Eve and Day; hotels during cold weather.

Transitional Housing

Facilities in Titusville, Cocoa and Melbourne, provides 3-24 months of shelter and services for up to 17 Homeless Veterans at one time.

PTSA

The NVHS PTSA program was designed to create and offer post traumatic stress Awareness, Action, and Anonymity to those who may be dealing with PTSD, as well as push information about PTSD to the community at large.

Serving an unmet need...

- Department of Veterans Affairs Estimates that over 1,800 Homeless Veterans live in the forests and parks scattered throughout Central Florida
- In 2015 NVHS assisted 127 homeless veterans through Search and Rescue and 21 homeless veterans through Transitional Housing. Transitional to Permanent Housing holds a 70% success rate.
- In 2014 NVHS assisted 388 homeless veterans through Search and Rescue and 22 through Transitional Housing.
- Thanks to NVHS, Brevard County Florida leads the State in overall reduction of our homeless veteran population, decreasing 26% since 2011, outpacing the State of Florida overall by 12%, and the Tri-County Coalition adjacent to Brevard by 15% (Orange, Seminole, and Osceola)
