

Brevard Public Schools to Expand Feeding Distribution Sites Beginning March 30th

Viera, FL: Brevard Public Schools (BPS) is pleased to announce that the following schools opened as food distribution centers on Monday, March 23rd. That day, BPS served over 3,800 students. On Tuesday, BPS served over 6,000 students. Meals are distributed weekdays from 10:30 AM - 1:30 PM to any child age 18 years and younger. To ensure social distancing, BPS requests that parents drive into the bus loop and release their trunk. A BPS employee places a meal package for each child in the trunk of the vehicle. The cafeteria and other school buildings are not opened to parents and students for meals.
