Hearings are scheduled for public input before the Titusville Planning and Zoning Commission and City Council. The purpose of the hearings is to transmit the plan to the State for review by the Department of Economic Opportunity.

For more information contact the Titusville Planning staff at (321) 567-3782 or Planning@Titusville.com.

The draft plan incorporates the ideas generated during the Visioning workshops held in the Fall of 2017 and the Vision Document approved by City Council in 2018.

The plan addresses three key areas of the City: **the Downtown**, the **Waterfront**, and our **Commercial Gateways**. Strategies include opportunities to redevelop the downtown, enhancements along the waterfront, and urban design strategies along our commercial gateways.

Meetings are held in the City Council's Chambers in City Hall.
Planning and Zoning Commission: May 8, 2019 at 6:00 p.m.
