

BOARD OF COUNTY COMMISSIONERS

Rita Pritchett, District 1 Commissioner

2000 South Washington Avenue, Ste. 2

Titusville, FL 32780

(321) 607-6901

D1.commissioner@brevardfl.gov

Thank you for your patience and commitment to keep Brevard County Residents safe. There is much attention to the Coronavirus and it is daunting. If you need information, don't hesitate to call my office. We will try to help you locate the right departments. You may go to the Brevard County Emergency Management website at <https://www.brevardfl.gov/EmergencyManagement/Home> for updates. I have found Johns Hopkins Hospital's information to be very helpful as well. <https://www.hopkinsmedicine.org/coronavirus>

Other areas of Brevard: Our growth and economic development has continued to improve. It is imperative that we remain hungry and continue the strategic path of where we would like to be as a county, and where North Brevard would like to be in the next few years. It has been a great journey with many great men and women contributing to our progress. Ours is a community and I love serving District One.

"Tough times never last, but tough people do"

-Robert H. Schuller

We have started the budget process, and had our first workshop on February 20th. The 2020 Census will be conducted this year and I am excited to see how Brevard and especially District One has increased in population.

We continue to improve the utilities infrastructure to meet the demands of our substantial growth. Since 2017, in the Port St. John and Mims areas, we have spent or have reserved over \$11 million to improve our utilities in the north part of the county. District One office is also excited to announce an additional \$11 million of improvements coming to the West Cocoa Collection system! These projects will be constructed in five different phases, which will begin in the first quarter of 2020.

From 2016 thru 2020, in North Brevard we have had \$18.6 million in improvements to our road infrastructure. Including road resurfacing, reconstruction, dirt road improvements, drainage and sidewalks. We are working hard to improve our infrastructure plan to have these improvements now and to meet the needs of the future.

Please stay safe and exercise good measures to avoid all viruses. I am praying for our county to stay healthy & well.

I am always available for any questions you may have. You can call my office or my cell 321-223-8774.

I am truly blessed to serve you as your Commissioner.
May God Bless you abundantly.

In Your Service,

Rita
County Commissioner District One
