PARKS AND REC SPOTLIGHT

[Harry T. and Harriet V. Moore Cultural Complex](#)

The Harry T. Moore Center in Mims is a great underutilized resource for our community. This would be a great family afternoon to take your kids to see some history of our great County.

The Moores lost their lives to strengthen constitutional rights that all men are created equal. For times of center operation, please call 321-264-6595.

There have been many upgrades and you will find the museum very interesting. Along with the actual house that the Moores lived in.

SUMMER SAFETY

While summer is a time for fun, it is important to remember important safety tips around [water](#), in the [heat](#), and during [hurricane](#) season.

IT'S INDEPENDENCE DAY IN DISTRICT ONE

It is once again the time of year when we celebrate our nation's freedom and independence. I hope that you are able to take time to enjoy the day with family and friends. I am so thankful for all the people throughout the United State's history who brought forth the Constitution of our Great Nation, and those who fought to protect it. God Bless America!
