## ***Message from Our President***

Time flies! After a busy winter and spring, all of a sudden it is May and time for a new board. Nominations were announced at the April meeting.

TAL has been busy with classes, open studio and community activities. This has been a busy and rewarding two years as President of TAL. In the past two years, we have been able to cut our spending providing a good future for our art league. The spring show and birding and wildlife show were a wonderful success. Without all the volunteers who donated their time and efforts, it would not have been possible. I want to thank every one of you...you know who you are!!!! A big thank you from me. See you at the meetings!

~ *Connie*

## Member Meeting Highlights

**Dennis Childs** spoke at our **March** meeting and gave a portrait demonstration. Dennis who started his professional life as an architect, always had an interest in art. When he retired from architecture, he threw himself into art and earned a fine arts degree. Since then, art has become his passion and he paints, teaches and attends workshops whenever he can.

Dennis gave a grisaille portrait demo with model (Fran Williams). TAL members watched in rapt attention as Dennis quickly sketched a recognizable likeness of his model.

Dennis also just completed teaching a 6-week portrait painting class at TAL in late March. Thanks to Dennis for sharing his time and talent. TAL hopes to have him teach more classes this fall. Watch the newsletter for announcements!

**Michael Xavier** gave a watercolor demonstration at our **April** meeting. He starts his works with a pencil sketch on 140# paper. He then paints over it with Winsor & Newton watercolors. Painting is truly a life long interest for Michael since he started painting in 1st grade! Thank you Michael for sharing with us. Michael's works are on view at the Carolyn Seilers Art Gallery in Cocoa Village.

**Linda Krupp** spoke about TAL participation at the Indian River Festival at our **April** meeting. This year's festival was revamped to showcase Titusville and our local businesses and organizations. Linda organized TAL volunteers to staff a tent at the festival, greet the public and distribute class schedules, member applications, Sunshine Saturday flyers and other materials. Festival goers were invited to share their contact information and areas of interest. All in all, it was a successful community outreach. Thanks to Linda and to all volunteers who participated!

Nominations for the 2013/2014 TAL board were announced at the **April** meeting. If you missed it, you can meet the nominees at our May meeting.
