Message from Our President

Greetings everyone!! Happy spring!

It's hard to believe it is already March! Our spring show is just around the corner, so I'll start off with that. Our **50th Annual Spring Art Show** will be **April 10 – 13 at the Police Hall of Fame** on 405, and it is going to be fantastic! A special thanks goes to **Bob Bielling, Diane Cannon, and Ethylmay Kirk** for previewing the venue with me. The space if SO well suited to our show and everything we will be doing at the show.

About the show... first of all, we want to **salute** all our **past presidents**. If you are a past president of TAL, please send me an email to confirm that fact. I know a few but not all. Ethylmay and I found the names of many past presidents by looking in the file cabinets for old newsletters and such, so we ARE making some progress!

At our next meeting on March 19th – in addition to learning about **ART IN THE FOREST** - we will be requesting your help for all types of show affiliated jobs. We will need people to sign up **to sell ads for our show program, secure large sponsorships (\$), help with registration, sitting during the show, setting up of show display boards, taking down,** etc. This isn't our first rodeo, folks! Many of you know more than I do what is involved in conducting a successful show, so I am requesting your expertise and assistance!

See you at the meeting and thanks in advance!

~ Linda

PS Bring your BUSINESS CARD & cash or check to pay for your ARTISTIC AD in our spring show program!!

Artist **Diane Cannon** conducted a **"Simply Florals"** Watercolor Workshop on Saturday, March 1 from 9:30 to 4:30, and it was well-attended with ten students. Thank you, Diane!

Meeting Highlights and Announcements

February Artist of the Month Kathy Benson Theme "Love"

Charlie Smith spoke at our February meeting. He delivered an informative and entertaining talk on copyright law. Did you know that you can protect your original works with an "unregistered" copyright by simply placing a copyright symbol beside your signature and by dating each painting?

Example:  Pablo Picasso
2/21/36

This act alone gives notice that your work is copyrighted and permits you (as the artist) to defend your copyright in court. You **will** need to pay your own court costs. A registered copyright, (available for a fee), allows the same protections, but gives the added benefit of repayment of court costs for defending your copyright.

In general any work created prior to 1923 is in the "public domain." This means you can legally create a copy of the work. It is always good practice to give attribution to the original artist, however. For example, if you make a copy of the Mona Lisa, you could sign your work "The Mona Lisa by Susan Smith after Leonardo Da Vinci." Charlie shared these and other tips at our meeting. If you missed the meeting and have questions about copyright, please consult a lawyer.

Thank you, Charlie, for sharing with us!

March 29, 2014 Enchanted Forest Art Show, Enchanted Forest, 10 -3 , Titusville. Some of your TAL friends will be painting "en plein air." Come out and enjoy a day amongst nature and art.

♦ **Fort Christmas Folk School** announces a **new woodcarving club.** The group will work with resident woodcarver, Lyn Adrian. **The first meeting was planned for Monday, March 10, at the Fort Christmas Folk School,** with subsequent meetings tentatively planned for the second Monday of every month. The club is for all carvers (beginners to advanced). Fort Christmas Folk School is located in Christmas, Florida. Call 407-568-1009, or email fortchristmasfs@gmail.com.

♦ The first **Poets & Painters** meeting was held March 4 with eight people attending. Poems were exchanged and art/poet pairings were arranged. pairings were arranged. Thank You!

50th Annual Spring Show News

RAFFLE, RAFFLE, RAFFLE!!

Not only is the spring show a SHOW, it is also billed as a FUNDRAISER! We want to not just cover the cost of the venue, the ribbons and awards; we also want to make some money! **We need STUFF** – good stuff to put into baskets to be raffled! The Brevard Watercolor Society (BWS) did a fantastic job with theirs, but it **involved many, many members** collecting items that could be put into baskets and raffled! (The following pictures were taken at the BWS annual "SPLASH" show with their permission.)

GOOD, NEW STUFF! Gift certificates, cards, small prints 5x7, candies, wine, candles, bath items, gourmet cheeses, jewelry, wine glasses, coffee mugs, ETC. All these items should be new and top-notch! We only have ONE meeting between now and the show, so if you can gather multiple items for **TAL**, we sure would appreciate it. **Diane Cannon** has volunteered to be in charge of the raffle baskets; give her a call if you have any questions at **258-7976**.

We will have sign-up sheets at Wednesday's meeting for the following "types" of baskets—subject to

Wine Basket Ideas

This can also be a great way to raise money! This has been done in the past, but we want to make it bigger and better this year!! Please, please, please find a small, quality item to donate to the cause. We need a chairperson for this activity!

This year, FOR THE VERY FIRST TIME, **TAL** will be **accepting credit cards** for payment of art!

BINS & TABLES

The first ten (10) who contact Linda Krupp at 321-269-5805 **on or after March 23 (not before!)** may use a **browser bin** to display and sell their originals or prints or giclees!! You must provide your own browser bin, and it must be a **standard browser bin** as shown below. Every item must be bagged in clear bags, and the price must be clearly marked ONE EACH ITEM. Cost for a browser bin is **\$10**; this, & the table offer, is for **TAL** members only.

If you have multiple items to display and sell, perhaps you'd rather have a **TABLE!** Tables are standard 6' long. There are only ten available at a cost of **\$10**. You **MUST** have a black table cloth or full or queen flat sheet (not fitted!) – MINUS wrinkles. You might have to press the items! The first ten (10) who contact Linda Krupp at 321-269-5805 **on or after March 23 (not before!)** will get a table.

Other News

Donations from Anita Winfough's Estate

Bob Bielling

Bob Bielling spent many hours transferring the items from storage at Uncle Bob's to **TAL**; son, Rob, got roped into helping, too! Items were up for donations on the last Saturday in February and again on March 1. Many of you showed up to dig into the "treasures"! We're doing well with donations so far—between \$700-800. Thank you, Bob, and everyone who contributed.

Wednesday night, 3/19, is the last chance you'll have to browse through these donated items. Bring cash!

Ethylmay Kirk & Walter Vanderpool look through the goodies!
