A Quick Note from Your President

Happy Spring All!

Hope this finds all of you enjoying Florida's nice weather. This message will be short, as I'm heading back to NC for a quick trip – trying to finish moving furniture and items from one place to another! Isn't moving fun? J Rather than move another meeting date, I asked Brian to fill in for me at this month's meeting.

Congratulations to **Candi Thorpe** and **Connie Allen** for getting their art into the Strawbridge Art League's **VI-SION** show at the **Art Gallery of Viera!** Stop by there this month and check out their beautiful contributions!

Annajo Vahle, **TAL** member and outstanding artist, will be our speaker on 4/15, and she's offering a workshop on **5/16**. Another workshop to look out for will be one offered by **Frank Ferrante** of Port Orange. No date is set yet, but he is an outstanding landscape artist; check him out on the web.

That's all I have right now. All the stats from the spring show will be given at our May meeting. New officers will be installed, and a pot luck supper is planned! Hope to see you there!

Take care.

L~

Pottery Workshop for Temple Baptist School Students March 31, 2015

On March 31st, Temple Christian School Art classes took a pottery class at TAL Pottery Building with artist Candi Thorpe. Candi is an amazing teacher! She has taught many of the same students in previous years when they were in upper elementary, and they were looking forward to coming again. Because they had had previously taken classes, Candi surprised us with a more technically advanced class! And for the newbies--they were digging in! Candi introduced them to making a round birdhouse, complete with a floor, open door, perch, and a designer roof! The students were all ears when Candi taught. The results were awesome! Talk about designing, students made impressions with some of Candi's tools and even designed their own version of creativity. We all had such a great experience that we decided to come more often. Thank you Candi Thorpe and TAL for an awesome learning experience.
