September1997

The FRIENDS of the MIMS/SCOTTS-MOOR COMMUNITY LIBRARY CENTER is a non-profit incorporated organization with tax-exempt status. For information about our group, call 269-5317.

The FRIENDS hold their meetings the third **Tuesday** of each month. The **September 16** meeting will be at **7:00 p.m.** in the Civic Room at **Cuyler Community Center**, 2329 Harry T. Moore Avenue, Mims. Please be there! Bring a guest!

The FRIENDS rotate the monthly meetings at various locations in the Mims-Scottsmoor area, for the convenience of more citizens.

The FRIENDS would like to thank Peggy Reichle for agreeing to serve as HISTORIAN for our group.

We bid a fond farewell to Rose Bunch. She has been committed to the Mims-Scottsmoor Library project, even after she moved to Titusville. We thank her for her input at our meetings, and we will miss her at our fund-raisers! Best of luck as she goes to her new home in South Carolina to be closer to her family.

DIRECTOR ANNOUNCED

Jeri Prieth, who has been serving as Director of the Port St.John Library since April 1996, has been named Director of the Mims-Scottsmoor Library as well.

FACILITY UPDATE

The Mims-Scottsmoor Community Library / Education Center is expected to open the beginning of March. According to the county's Office of Facilities Management, modular buildings which have been used as offices of the State Attorney in Titusville are to be vacated in November, and ready to move to the corner of Old Dixie and Lionel Road, on the northwest corner of the Pinewood School campus. (If you haven't checked out our location, please drive by and see our sign!)

- The FRIENDS would like to remind all supporters to stay in communication with the county commissioners, especially in the event of any delays.
- Books are being purchased and processed.
- The floor plans are being finalized. Anyone interested in seeing them can call 269-5317. The plans are also available at the monthly meetings.

We hope to have lots of community help in the setup and preparation of the facility: materials and services donated or discounted are gratefully sought. If you have skills or resources to help, please call 269-5317.

SUPPORT TO REPORT!

We are honored and grateful to announce $100 memberships of FUEL TECH, Inc., Lorella Whitten, June Horner, and Rita Darling.

We would like to thank FRIENDS member Betty Patterson for donating a new Carousel slide projector to the Library.

Betty, a TUPPERWARE distributor, also conducted a fundraiser that earned $175 for the FRIENDS, including two parties as well as outside sales of Tupperware by our members. Our top seller was Mary Lucier. Thanks to all who participated. Anyone still interested in contributing toward our library by Tupperware fundraising (or anyone just needing Tupperware!) can call Betty at 383-7515.

We have a great start to the video section of our library, thanks to Marge Wrubel who sold us videos from the close-out of SILVER SCREEN VIDEOS, and also donated 1000 plastic covers.

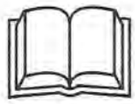
The May 10 Bake Sale brought in $125.54. The FRIENDS really appreciate SHARPE BROS. GROCERY for providing this excellent location for selling our goodies.

DINING RAFFLE

Many thanks also to the local eating establishments which have donated prizes for our recent raffle. These raffle tickets, at $2 each, offer a chance to win all of the following:

2 free lunches at DIXIE CROSSROADS
2 free dinners at the IRISH PUB
2 free dinners at KELLY'S RESTAURANT
2 gift certificates at PORKY'S BBQ
one large pizza at ANGELO'S PIZZERIA

If you haven't bought a ticket, hurry and call Esther Vulpius at 267-3968. The lucky winning ticket will be drawn at the September 16 meeting of the FRIENDS. If you don't win this time, try again: we hope to hold another raffle before Christmas!

HELP! WE NEED CARPET!


Can we find the 9000 square feet of carpeting needed for our facility? Perhaps you know a flooring business that is community-minded and would be proud to have a hand in the inauguration of our new library by offering carpeting at a low price. Or maybe you know of a business that is changing its floor cover, and the old carpet is still in good condition. Call 269-5317.
