#### **About Parrish Healthcare**

Parrish Healthcare, America's first Joint Commission Integrated Care Certified network, includes: Parrish Medical Center, a Mayo Clinic Care Network member and one of the nation's most recognized hospitals for clinical quality, patient safety, and healing environments; Parrish Medical Group, NCQA certified patient-centered medical homes; and Florida Health Network, a coalition of healthcare providers, insurers and others working together to improve quality and safety and lower healthcare costs on behalf of individuals, families and businesses.

#### **About Parrish Medical Group**

Parrish Medical Group, a Parrish Healthcare integrated care partner, is North Brevard's largest network of primary care physicians and specialists. PMG's physicians are specialized in many areas of medicine and together, have one common goal – to provide coordinated, comprehensive healthcare to its patients. PMG physicians recently united to better serve patients from Port Canaveral and Port St. John to Titusville. In practice as independent physicians for many years, Parrish Medical Group represents family practice and internal medicine along with many specialties.
